**CHANGE OF TIME ON THE MARQUETTE AND CINCINNATI RAILROAD.**—Many important changes have been made in the running of Trains, which took effect on Monday last.

The Mail Train West passes McArthur Station (remember that the Station is only three miles from town) about one hour earlier than usual, and the Mail East passes about an hour later.

The Express Trains East and West pass between 11 and 12 o'clock at night.

**ENCOURAGING.**—Our fellow-townman, J. Malone, who has, during the past two weeks, traveled through parts of Vinton, Jackson, Meigs, and Gallia Counties, says there is a good prospect for a large crop of fruit, wheat, &c. Every farmer was at work—all feeling encouraged, and in a fair way to make a living.

**WHERE TO GET THE BEST SWEET POTATO PLANTS.**—Those wishing Nansmond Sweet Potato Plants—the best quality raised in the North—should call on or address H. Hubert, at the Hulbert House, McArthur. He is raising 25,000 excellent plants, and is prepared to supply customers at very low prices.

**CASHMERE SHAWL GOATS.**—A number of these beautiful and valuable animals—twenty-six, we believe—were brought to this county, on Thursday last, and distributed among the members of the Cashmere Goat Company, which is organized in the county, and of which we spoke in our last issue. Dr. A. Wolf has two of the animals on his farm, about one half mile west of town.

**Go to Strong & Gibbons.**—For Groceries, Tinware, Plows, Saddlery, and all kinds of Hardware, go to Strong & Gibbons, on Main Street, McArthur, Ohio, who have on hand a full supply of everything usually found in a country hardware store, and which has been bought at the lowest cash prices and will be sold at corresponding figures. [15]

**Cheapest and Best.**—G. W. Sisson keeps constantly on hand a new and fresh supply of pure Drugs and Medicines, Chemicals, Oils of every kind, Varnishes, Brushes, Dye Stuffs, Toilet Articles, Perfumery, Pure Liquors of all kinds, and all other articles usually kept in a first-class drug store, which he is selling lower than can be bought the State. Go to the New Room, South side Main Street. [15]

**Jon Printing.**—Get all your Job Printing done at the Enquirer Printing Office, in Malone's Building, for, besides the best printing, you will also find the lowest prices.

**We learn that a man named Barlett** was run over by a train and killed on the Marietta & Cincinnati Rail Road, near Athens, on Tuesday morning.

**SWEET POTATOES AND SWEET POTATO PLANTS FOR SALE.**—Levi Wyman, who resides 14 miles south from McArthur and 14 north of McArthur Station, wishes to inform the public that he has for sale a large quantity of the Yellow Nansmond Sweet Potatoes, the best kind for this climate, which he will sell at \$4 per bushel. He intends to raise plants from 50 bushels of Sweet Potatoes this season. Those wishing Sweet Potatoes or Sweet Potato Plants, will please call upon or address him at Dundas, Vinton County, Ohio. He can, on receipt of the money, ship either Potatoes or Plants by Railroad to any point. Give him a liberal patronage.

**Drugs, Books and Stationery.**—Persons wishing Drugs, Medicines, or Books, will do well to call at Strong's Drug and Book Store, corner Hulbert's Block, McArthur, Ohio, where they will find a large stock of Pure Medicines, Liquors, Oils, Paints, Dye Stuffs, Perfumery, and Fancy Articles. Physicians can buy as low as in any market, in Southern Ohio.

The attention of the public is called to the large stock of Cap and Note Paper, Pens, Ink, Paper, Quills, Rulers, &c., &c. School Books can be bought cheaper at Strong's than at any other establishment in Vinton county.

**"THE HEAVENLY CHERUBS."**—We have for sale at this office the most superb steel line engravings of "The Heavenly Cherubs," from Raphael's "Sistine Madonna," which we invite everybody—especially the ladies—to call and see. The price is low.

**PARTICULAR NOTICE.**—Those who prefer paying their subscriptions in any kind of country produce, or in wood or coal, are informed that they can do so, as we have made arrangements to receive the same at any time. Send us your names, your country produce, wood and coal, and we will send you the Enquirer, and then you will be happy and can go on your way rejoicing!

If you want to buy or sell anything, no matter what, the best way you can accomplish your object is to advertise in the Enquirer. Now is the time to advertise. Try it.

**RAOS WANTED.**—Bring all your rags to this office, where the highest market price will be paid for them.

**LOCAL ITEMS OF INTEREST** will be thankfully received from our friends, at any time, from any part of this or adjoining counties.

**Spring work is coming on in the Field Orchard, and Garden, and in the grounds about the House as well as in the House.**—The best information about the most pleasant and profitable method of performing this work is, of course, to be found in that large, reliable and cheap journal, the *American Agriculturist*. We have received the April number, and it fully carries out the Publishers' promise to always keep on making every number better than the previous one. This, like every other issue thus far this year, has eight large pages extra. This single number contains between 40 and 50 pleasing and instructive engravings, one of them a full page, and several others very large and beautiful. A full three-page calendar of work to be done will furnish many useful hints for the Farm, Garden and Household.

A slashing article on Humbugs exposes by name a large number of the swindlers of the country people.

There are, besides, more than a hundred articles and items full of instruction to every cultivator of a garden plot, or a farm. More than 150,000 people now enjoy the advantages offered by the *American Agriculturist*, and everybody else, and his wife (and his children also) should have it. Its beautiful pictures are alone worth many times its cost, which is only \$1.50 a year, or four copies \$7.

Take our advice and try the *Agriculturist* this year, and we will guarantee satisfaction.

Orange Judd & Co., 41 Park Row, New York City, are the publishers.

**A YOUNG LADY** returning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends. In place of a coarse, rustic, ill-dressed girl, she had a soft, refined complexion, almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she had used the *Crisper Coma* Hair Dressing, and considered it an invaluable acquisition to any lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, and healing, cleansing, and beautifying the skin and complexion. By its application the entire hair is drawn from its roots, and its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price \$1, sent by mail or express, on receipt of an order by

### Know Thy Destiny.

MADAME E. F. THORNTON, the great English Astrologist, Clairvoyant and Psychometrist, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychometre, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with the date of marriage, position in life, leading traits in character, &c. This is no humbug, as thousands of testimonials can attest. The picture is when desired a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and sending place of birth, age, disposition and complexion, and enclosing fifty cents and a stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. The great point for which all friends of the Union and Democracy should be taken in the household of all our Democratic friends, South and West, its influence could be no greater, changing the political aspect of a State.

What evils have fallen upon the land, owing to the enormous political corruption of the masses! If we would restore the old order of things, once more, effect National Unity and the old-fashioned Democracy, we must place the Democracy again in power. As auxiliary to this end, and as the most effectual means of accomplishing this end, is the circulation of the Democratic press.

The Enquirer has some claims upon the consideration of the Democracy that are universally acknowledged. Through proscription and persecution unexampled, with military edicts cutting off our circulation in whole States and districts, threatened with total suppression, personal imprisonment and death, we have not only survived, but have increased in our numbers. We have not only survived, but have increased in our numbers. We have not only survived, but have increased in our numbers.

As a business and family journal, the Enquirer has no equal. Each number contains a large amount of general news, interest, and most reliable intelligence and reading matter.
